

Your Exclusive Invitation to

SEVEN WAYS TO TRANSFORM YOUR PARISH MUSIC PROGRAM

As Assistant Professor and Director of Sacred Music and Principal Organist at the Pontifical College Josephinum in Columbus, Ohio, I work every day with future priests who desire to someday serve parishes with beautiful, flourishing, and reverent music programs. In many churches, however, such a program seems out of reach-- especially in the wake of the pandemic.

To help bridge that gap, I founded the Sacred Music Institute of America. We provide online and in-person instruction to parish musicians, including those with little prior formal training. We don't just believe that beautiful, dignified sacred music is possible in every parish-- we know it. We've seen transformation occur in churches throughout the United States through our innovative training. It's possible anywhere. But it all begins with an understanding of sacred music and its function in worship.

For the first time, we're offering an exclusive live Zoom event which will guide parish musicians in taking the first crucial steps to revitalize their church music program by drawing upon the rich history and living traditions of sacred music.

I am offering two complimentary registrations to your diocese. Here's what they'll receive:

- **Online seminar by a panel of clergy and music directors**
- **7 easily-implementable ways to improve their parish's music**
- **Opportunity to receive personal feedback and advice**

Please encourage two individuals whom you think would benefit most to register for "Seven Ways to Transform Your Parish Music Program" on Saturday, May 14th at 11 AM eastern time. This seminar will introduce techniques which have already helped to restore beauty and solemnity to church music programs in the United States and around the world, and it is our gift to you.

We're offering this live event for FREE because we know some churches have been struggling financially and we want to share these techniques with those who need them most. However, space in this live online seminar is extremely limited. If you already know which two individuals you would like to invite, please encourage them to register now at <https://www.eventbrite.com/e/7-ways-to-transform-your-parish-music-program-tickets-308281818217>.
