INFORMATION

- Chancery groups will pray for our four bishops and all priests who work full-time here.
- Parish and special ministry groups will pray for pastors, parochial vicars in parishes and special ministries.

STRUCTURE

- A seven sister group consists of seven women. Each sister prays for the priest one specific day of the week in the presence of the Blessed Sacrament or in Adoration so that he is covered in prayer each day of the week.
- While the Seven Sisters is a women's ministry, a sister can have a fasting brother, husband, male co-worker or friend sub for her if she cannot make her Holy Hour.
- One of the seven sisters serves as the anchoress, who is the coordinator of the group.
- Duties of the anchoress
 - Pray for the group
 - Make contact with the priest, let him know about the apostolate and relay special prayer requests to the sisters.

A Fasting Brothers group is set up the same way but is a group of six men who each fast one day of the week to cover the priest every day with the exception of Sunday. Fasting brothers will be tied to the seven sisters group who is praying for the priest for which they are fasting. They do not have a group coordinator.
