A Prayer for Eucharistic Revival

Come Holy Spirit!

Open our hearts, minds, and every part of our lives to You.

Inspire and transform us during this time of Eucharistic Revival.

Help us encounter Jesus and adore His Real Presence in the Eucharist—
Body, Blood, Soul, and Divinity.

Lead us to see the Face of Christ in every person we meet.

Remind us that, in Christ, we are beloved sons and daughters of the Father.

Through, with, and in Jesus, set our hearts on fire with the power of the
Gospel.

In Jesus' Name we pray, Amen.

Eucharistic
Revival

The Eucharistic Revival is intended to be far more than a series of events or a program. It aims to be a movement that enkindles a living relationship with Jesus Christ in the Eucharist and renews the Church.

BISHOP ANDREW COZZENS

Chairman of the USCCB's Committee on Evangelization and Catechesis

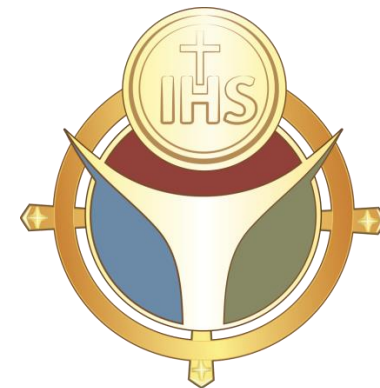

Vision: To inspire a movement of Catholics across the United States who are **healed, converted, formed, and unified** by an encounter with Jesus in the Eucharist—and who are then sent out on mission “for the life of the world.”

Four Pillars

- **PERSONAL ENCOUNTER: Meet Him.**
- **REINVIGORATE WORSHIP: Love Him.**
- **ROBUST FAITH FORMATION: Seek Him.**

FROM THE SOUTH

St. Juan Diego Route

The southern arm of the Pilgrimage will depart from the tip of Texas in Brownsville, wind around the Gulf of Mexico—an area chosen for its deep Catholic roots—and pass through the southeastern region of the United States on its way to Indianapolis for the 10th National Eucharistic Congress.

Will you accompany Jesus on the road? Pilgrims will attend Mass every day and have numerous opportunities for healing and encounter with God's mercy. Join us in following Christ through the streets, proclaiming his love and mercy through the greatest gift humanity has ever received: the Holy Eucharist.

ABOUT THE INTERCESSOR

This route is named for St. Juan Diego, whose vision of Our Lady has had a massive impact on the spiritual character of North America. St. Juan Diego had a great devotion to the Eucharist and made his own little pilgrimage every day, rising before dawn and walking 15 miles to daily Mass. Today we join him in asking Our Lady to lead America to a greater love for her Son in the Eucharist.

St. Juan Diego, pray for us!

*I would like to rekindle ...
Eucharistic “amazement”*

(Ecclesia de Eucharistia, no. 6)

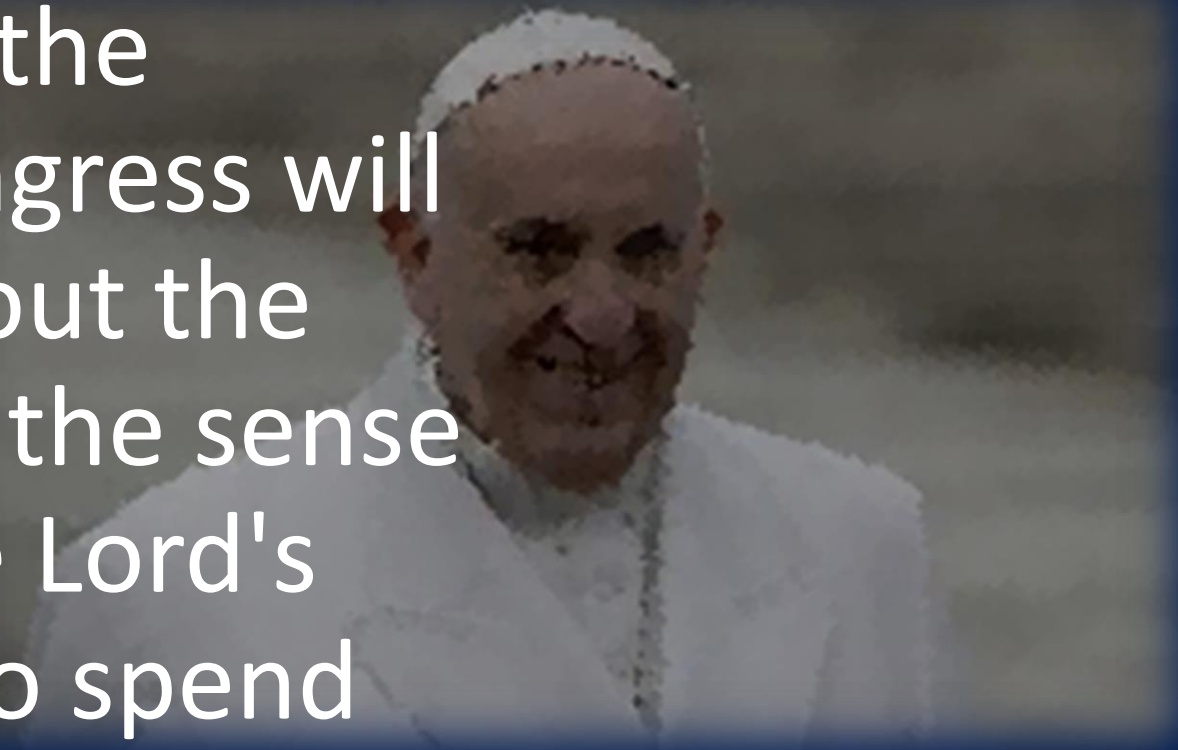

Every great reform has in some way
been linked to the rediscovery of
belief in the Lord's eucharistic
presence among his people.

(Sacramentum Caritatis, no. 6)

“The Eucharist is God's response to the deepest hunger of the human heart, the hunger for authentic life because in the Eucharist Christ himself is truly in our midst to nourish, console and sustain us on our journey.”

“It is my hope, then, that the [National] Eucharistic Congress will inspire Catholics throughout the country to discover anew the sense of wonder and awe at the Lord's great gift of himself and to spend time with him in the celebration of the holy Mass and in personal prayer and adoration before the Blessed Sacrament.”

*The National Eucharistic Congress
marks a significant moment in the
life of the Church in the United
States.*
