INDEPENDENT AUDITORS' REPORT

Board of Directors of The Catholic Foundation of North Georgia, Inc.

Opinion

We have audited the accompanying financial statements of The Catholic Foundation of North Georgia, Inc. (the "Foundation") (a nonprofit foundation), which comprise the statements of financial position as of June 30, 2025 and 2024, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of June 30, 2025 and 2024, and the changes in net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for one year after the date of this report.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

THE CATHOLIC FOUNDATION OF NORTH GEORGIA, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 1 – NATURE OF THE ORGANIZATION

The Catholic Foundation of North Georgia, Inc. (the “Foundation”) is a Georgia non-profit organization governed by a board of directors composed of laypersons, priests, and the Archbishop of the Roman Catholic Archdiocese of Atlanta (the “Archdiocese”). The Foundation’s mission is helping Catholics with faith-inspired giving and legacy planning while stewarding funds for the long-term sustainability of the Catholic organizations in our community.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Foundation follows accounting standards set by the Financial Accounting Standards Board (“FASB”). The FASB sets accounting principles generally accepted in the United States of America (“GAAP”).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Risks and Uncertainties

The Foundation’s financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents and investments. At times, cash and cash equivalent balances exceed federally insured amounts. The Foundation believes it reduces risks associated with balances in excess of federal insured amounts by maintaining its cash with major financial institutions with sound financial standing. Investment securities are exposed to various risks, such as interest rate risk, market risk, and credit risk.

Cash and Cash Equivalents

The Foundation considers all highly liquid investments with maturities of three months or less when purchased to be cash equivalents.

Investments

The Foundation carries investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the statements of financial position. Unrealized gains and losses are included in the change in net assets in the periods they occur. Investment income and realized and unrealized gains and losses are included in the change in net assets in the accompanying statements of activities net of external and direct internal investment expenses. The Foundation’s investments are in pooled investment funds.

THE CATHOLIC FOUNDATION OF NORTH GEORGIA, INC.

JUNE 30, 2025 AND 2024

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and Equipment

The Foundation capitalizes all expenditures in excess of \$5,000 and with a useful life greater than one year. Property and equipment are stated at cost or estimated fair value at time of donation. Depreciation and amortization is computed using the straight-line method over the estimated useful lives of the assets, ranging from 3-10 years.

Fair Values Measured on Recurring Basis

FASB establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Fair values for investments are determined by reference to quote market prices and other relevant information generated by market transactions. The investments measured at net asset value practical expedient are composed of investments in private investment funds and are considered illiquid and designed for long-term growth.

The table below represents fair value measurement hierarchy of the assets at fair value as of June 30:

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments Measured at Net Asset Value Per Share or Equivalent (*)

In accordance with GAAP, certain investments that are measured using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the carrying values disclosed in the accompanying statement of financial position. The following table discloses the nature and risks of the significant alternative investments at June 30:

	<u>2025</u>	<u>2024</u>	<u>Redemption Notice Period</u>
Canyon Balanced Fund (1)	\$ 2,102,887	\$ 1,978,768	90 Days

	<u>\$ 53,462,469</u>	<u>\$ 51,551,059</u>	

There are no unfunded commitments associated with these investments.

- (1) Canyon Balanced Fund – The Balanced Fund's investment objective is to seek long-term capital appreciation and current income through investing in a combination of equity securities, fixed-income securities and derivatives.
- (2) Conway Rief Onshore Access Fund – The Access Fund invests exclusively into one Private Investment Fund. This investment is subject to the terms of the respective agreements, private placement memoranda and other governing agreements of such Private Investment Fund.
- (3) Ironwood Institutional Multi-Strategy Fund – The Multi-Strategy Fund's investment objective is to seek long-term capital appreciation and current income through investing in a combination of equity securities, fixed-income securities and derivatives. All funds can be redeemed on a quarterly basis.
- (4) State Street Global Advisors Trust Fund – The Fund seeks an investment return that approximates, as closely as practicable, before expenses, the performance of the S&P 500® over the long term. The Fund implements a screen of certain social or environmental criteria.

THE CATHOLIC FOUNDATION OF NORTH GEORGIA, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Net Assets

Net assets, along with revenues, expenses, gains and losses, are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Foundation and changes therein are classified and reported as follows:

- **Net Assets Without Donor Restrictions** - Net assets available for use in general operations and not subject to donor restrictions. Included within this category are Board-designated net assets, which are funds not specifically restricted by outside donors, but designated by the Board of Directors for a specific purpose.
- **Net Assets With Donor Restrictions** - Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that such resources be maintained in perpetuity.

Contributions

Contribution revenues are recorded as increases in net assets without donor restrictions unless use of the related asset is limited by donor-imposed restrictions. All restricted contributions are reported as an increase in net assets with donor restrictions. Contributions subject to temporary donor-imposed restrictions are recorded as support with donor restrictions and are reclassified to support without donor restrictions when the donor-imposed restriction has been fulfilled or the stipulated time period has elapsed.

Split-interest Agreements

The Foundation has entered into a number of charitable gift annuity ("CGA") agreements with its donors. Under the terms of these agreements, the donor contributes assets to the Foundation in exchange for the right to receive a fixed-dollar annual return during the life of the annuitant(s).

At the inception of the CGA agreement, the excess of the fair value of assets received over the present value of annuity payments to be made to annuitant(s) is recognized as a contribution at the date of gift. The annuity liability is reported at the estimated present value of future cash outflows, based on discount rates and mortality tables. The annuity liabilities are revalued annually. Actuarial changes are included in investment income (loss), net on the statement of activities and changes in net assets.

The contributed funds and the related liabilities immediately become part of the general assets and liabilities of the Foundation. The Foundation maintains adequate reserve funds to meet future payments under its charitable gift annuity contracts as required by state law. The cash and investments related to the charitable gift annuities and state reserve requirements totaled \$485,276 and \$471,248 at June 30, 2025 and 2024, respectively.

THE CATHOLIC FOUNDATION OF NORTH GEORGIA, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Custodian Funds Payable

The Foundation manages a fund for the Archdiocese, who acts as the Trustee. The fund is invested and managed in the Foundation's name and the Foundation receives a fee for managing the fund. Distributions from the fund are made at the beneficiary's request and in accordance with the Foundation's policies and procedures.

Beneficiary Endowments

Beneficiary endowments represent funds that have been legally and permanently transferred to the Foundation for long-term investment purposes in which the transferring organization named itself, as the beneficiary of the investment income earned on the funds. Distributions are made to the beneficiary organization based on the terms of an endowment agreement between the Foundation and the transferring organization. These funds are reported as a liability in the statement of financial position.

Allocation of Functional Expenses

The costs of providing the various programs and other activities are summarized on a functional basis in the accompanying statement of activities and changes in net assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The expenses that are allocated include conference and meeting costs, advertising, and rent as well as salaries, benefits, payroll taxes, contract labor, professional fees, office expenses, and other, which are allocated on the basis of estimates of time and effort.

Income Taxes

The Foundation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code, as amended, and is classified by the Internal Revenue Service as other than a private foundation. Accordingly, no provision or liability for federal and state income taxes has been recorded in the accompanying financial statements.

The Foundation annually evaluates all federal and state income tax positions. This process includes an analysis of whether these income tax positions the Foundation takes meet the definition of an uncertain tax position under the Income Taxes Topic of the Financial Accounting Standards Codification. In the normal course of business, the Foundation is subject to examination by the federal and state taxing authorities. In general, the Foundation is no longer subject to tax examinations for tax years ending before June 30, 2022.

THE CATHOLIC FOUNDATION OF NORTH GEORGIA, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 3 – ENDOWMENT FUNDS

GAAP requires the following financial statement disclosures for the Foundation:

- Classification of net assets

Endowment funds are used to account for investments in which the principal is donor-restricted or Board-designated for a specific purpose.

- Interpretation of Relevant Law

The Foundation has interpreted the Uniform Prudent Management of Institutional Funds Act ("UPMIFA"), enacted in the state of Georgia, as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies net assets with donor restriction as the original value of gifts donated to the donor restricted endowment, and the original value of subsequent gifts to the donor restricted endowment. Investment income from the donor restricted endowment is classified as net assets with donor restrictions (a purpose restriction) until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the donor stipulated purpose within the standard produce prescribed by UPMIFA.

- Interpretation of Relevant Law (Continued)

In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Foundation and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Foundation
- (7) The investment policies of the Foundation

- Return Objectives and Risk Parameters

The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Foundation must hold in perpetuity or for a donor-specified period(s) as well as board-designated funds.

NOTE 3 – ENDOWMENT FUNDS (Continued)

• **Spending Policy and Strategies Employed for Achieving Objectives**

The Foundation's spending policy reflects the fundamental objective of preserving and enhancing the resources of the Foundation, both at present and in the future. Current spending and the long-term objectives of preserving and enhancing the assets are balanced by considerations given to reasonable expectations of investment returns, contributions, operating expenses, and inflation. The Foundation has a policy of appropriating for distribution each year amounts that are required to be distributed under the terms of donor-restricted endowment agreements and amounts needed to fund grants and other distributions. In establishing this policy, the Foundation considered the long-term expected return on its endowment. Accordingly, over the long term, the Foundation expects the current spending policy to allow its endowment to grow at a rate that will maintain the purchasing power of the endowment assets held in perpetuity as well as to provide additional real growth through new gifts and investment return.

• **Underwater Endowment Funds**

The Foundation considers a fund to be underwater if the fair value of the fund is less than the sum of (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. The Foundation has complied with UPMIFA to permit spending from an underwater endowment. At June 30, 2025 and 2024, deficiencies of this nature were immaterial to the financial statements.

The following is a reconciliation of the beginning and ending balances of the Foundation's endowment net assets for the years ended June 30, 2025 and 2024:
