ROMAN CATHOLIC ARCHDIOCESE OF ATLANTA

Catholic Metro Sports chartered in 2019 and has strong roots in Atlanta with an Inter Parish Sports legacy dating back to the 1960s.

CMS operates League Operations and School/Parish Support Services in partnership with the **Office of Evangelization & Discipleship** to give our youth and families fun and healthy activities that will build fellowship and community throughout the Archdiocese.

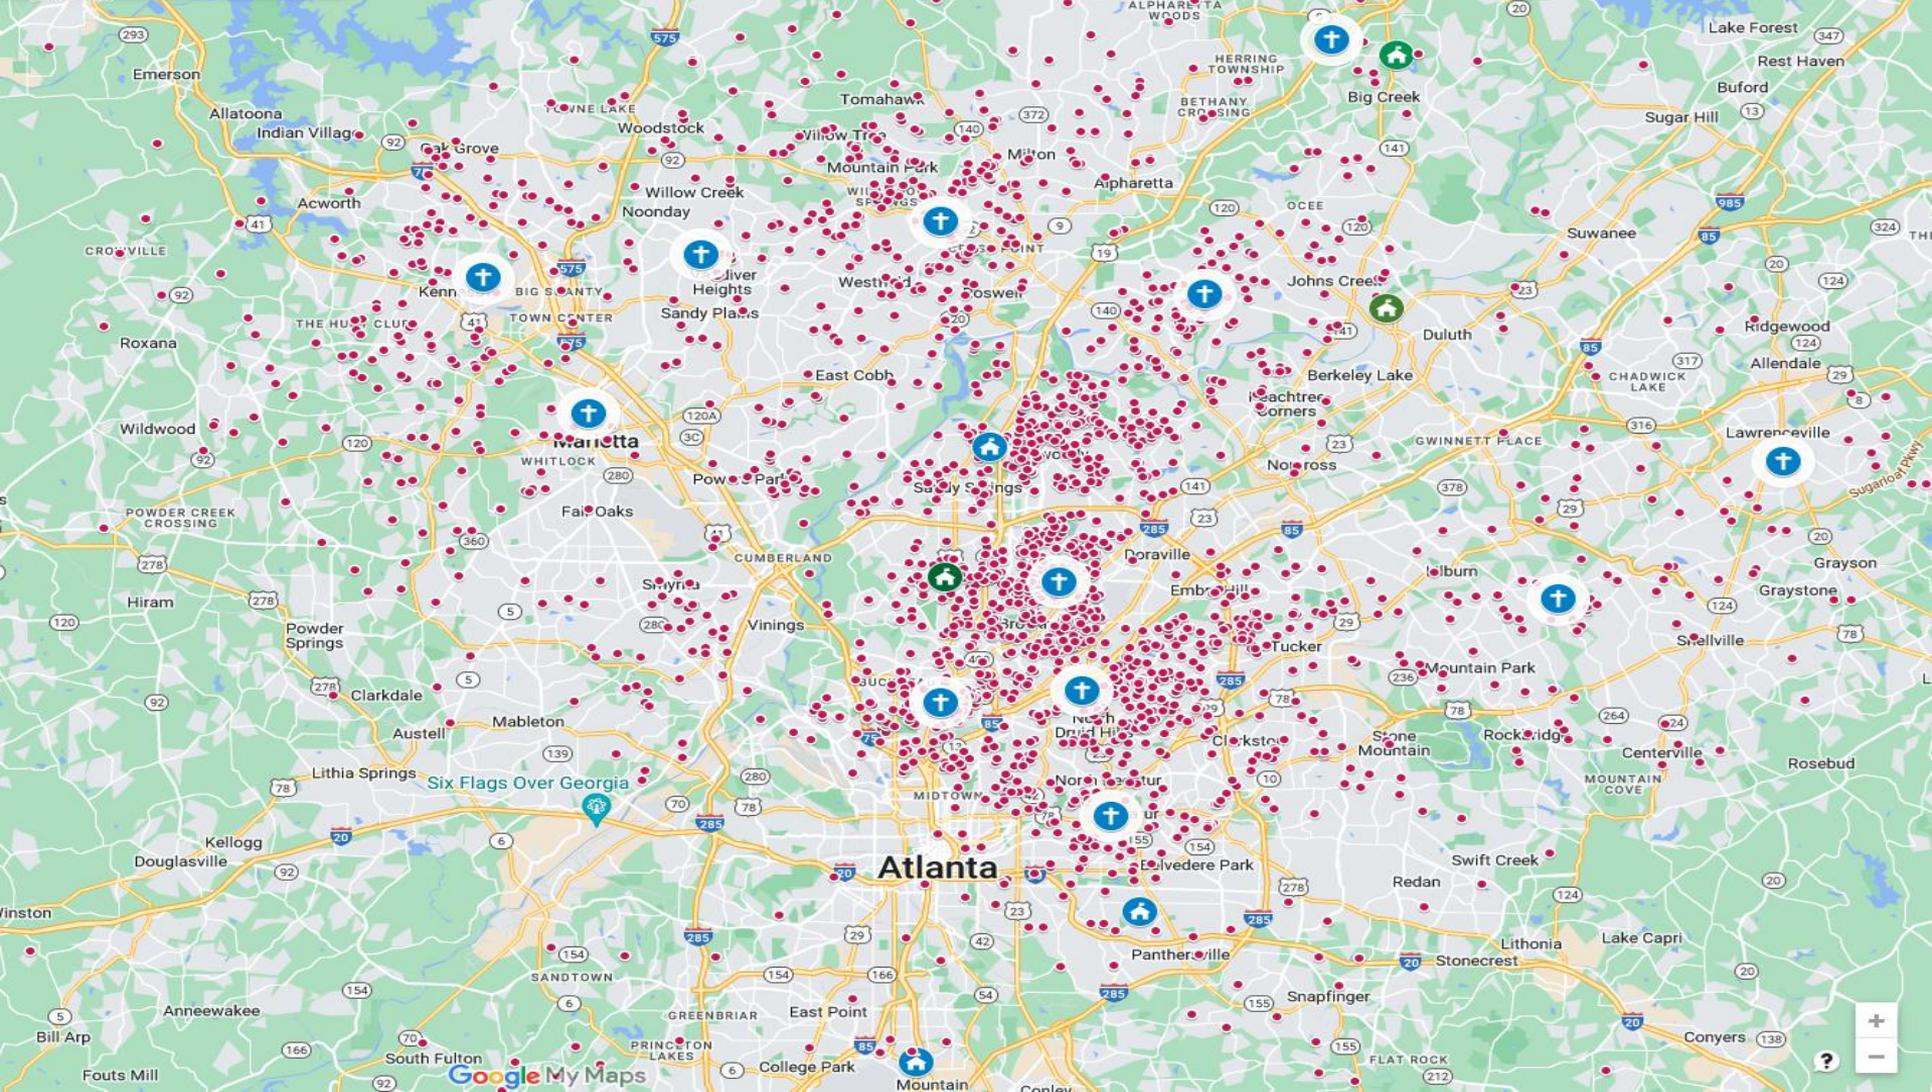

Our mission is to bring all of the Atlanta Catholic Community closer to God through participation in Athletics, Fitness and Recreation and to expand access to sports for lower income families and parishes that do not currently have active athletic ministry.
