LETTER FROM THE FINANCE COUNCIL

Dear Fellow Parishioners:

We are happy to provide you with the annual report for Good Shepherd Catholic Church for the period of July 1, 2021 to June 30, 2022. This report will show a financially sound parish. Your clergy and staff operate in a fiscally sound manner stretching your gifts to support the most people.

We are happy to report our income and expenses are within our annual plan. Your outstanding support through the Covid pandemic allowed our parish to maintain our mission. Your giving to the Annual Archdiocesan Appeal allowed us to receive a refund to be available for our parish needs. We are happy to see our electronic giving continues to add new users and we respectfully ask you to consider this option for regular giving.

During the fiscal year 2022, our parish conducted several maintenance activities including repainting the rectory, paving and restriping several areas of the parking lot, and maintenance on the fire alarm system in the church. We worked to minimize expenses and in some areas did not replace staff as those functions were absorbed by remaining staff.

We increased our savings and reduced expenses due to the unknowns related to the pandemic. We are happy to say attendance at Masses is back up and the offertory is also moving to precovid levels. We are again reviewing list of potential capital projects for later in the year and next year.

Our columbarium sales are on the planned pace allowing us to meet our loan obligations.

On behalf of the Finance Council, thank you for your time and generosity in making Good Shepherd a thriving parish. We ask you for your continued support of our parish mission.

Best Regards,

Good Shepherd Finance Council
