The Power of Participation · Annual Report · 2016-2017

Dear Parents and Friends,

The 2016-2017 school year provides evidence of the commitment and accomplishments of the constituencies that make up Queen of Angels Catholic School. I pray this annual report provides you with insight to the important aspects of our school, the lifelong impact we have on the lives of our students and families, and the generosity of those who make it all possible.

The story of the past year, one that I only joined on July 1, is one of many achievements. The program is a testament of the leadership of the school's former administrators and the fiscal responsibility of our Advisory Committee and Business Office. After four years of visiting Catholic schools across the country, I feel truly blessed to be at a school that is recognized for academic excellence, a superior faculty and staff, and housed on such a beautiful campus.

We are grateful for the foresight of those "whose shoulders I stand on" in providing the nearly \$1 Million needed for the HVAC project. Funded by the Capital Reserve Account, Major Donor Gifts, the Annual Fund, and Special Events that included a special appeal to "Keep QA Cool," the project was completed in three months without any incurred debt to our families. In addition to the replacement of the HVAC system, we installed new wireless access points throughout the school to allow for faster, uninterrupted service when using campus-wide technology, digital devices and Google Chromebooks. Routine painting, pressure washing and landscaping maintains our eighteen-year-old building and is impressive to visitors and Queen of Angels families.

Funds prioritized for technology continue to provide our students with enriching, 21st century learning opportunities that include Promethean ActivInspire Boards, upgrades to our QA daily television studio facilitated by the Video Journalism class, online textbooks to supplement hard copies, professional development opportunities for our teachers and programs that allow parents to have online access to student grades. In May 2017, two Queen of Angels teams from grades 3-5 earned the opportunity to compete at the World Competition of Odyssey of the Mind after winning at both the regional and state levels. With our standardized test scores in the top 15% of the nation, we will reapply in the next year for our 2nd recognition as a National Blue Ribbon School of Excellence.

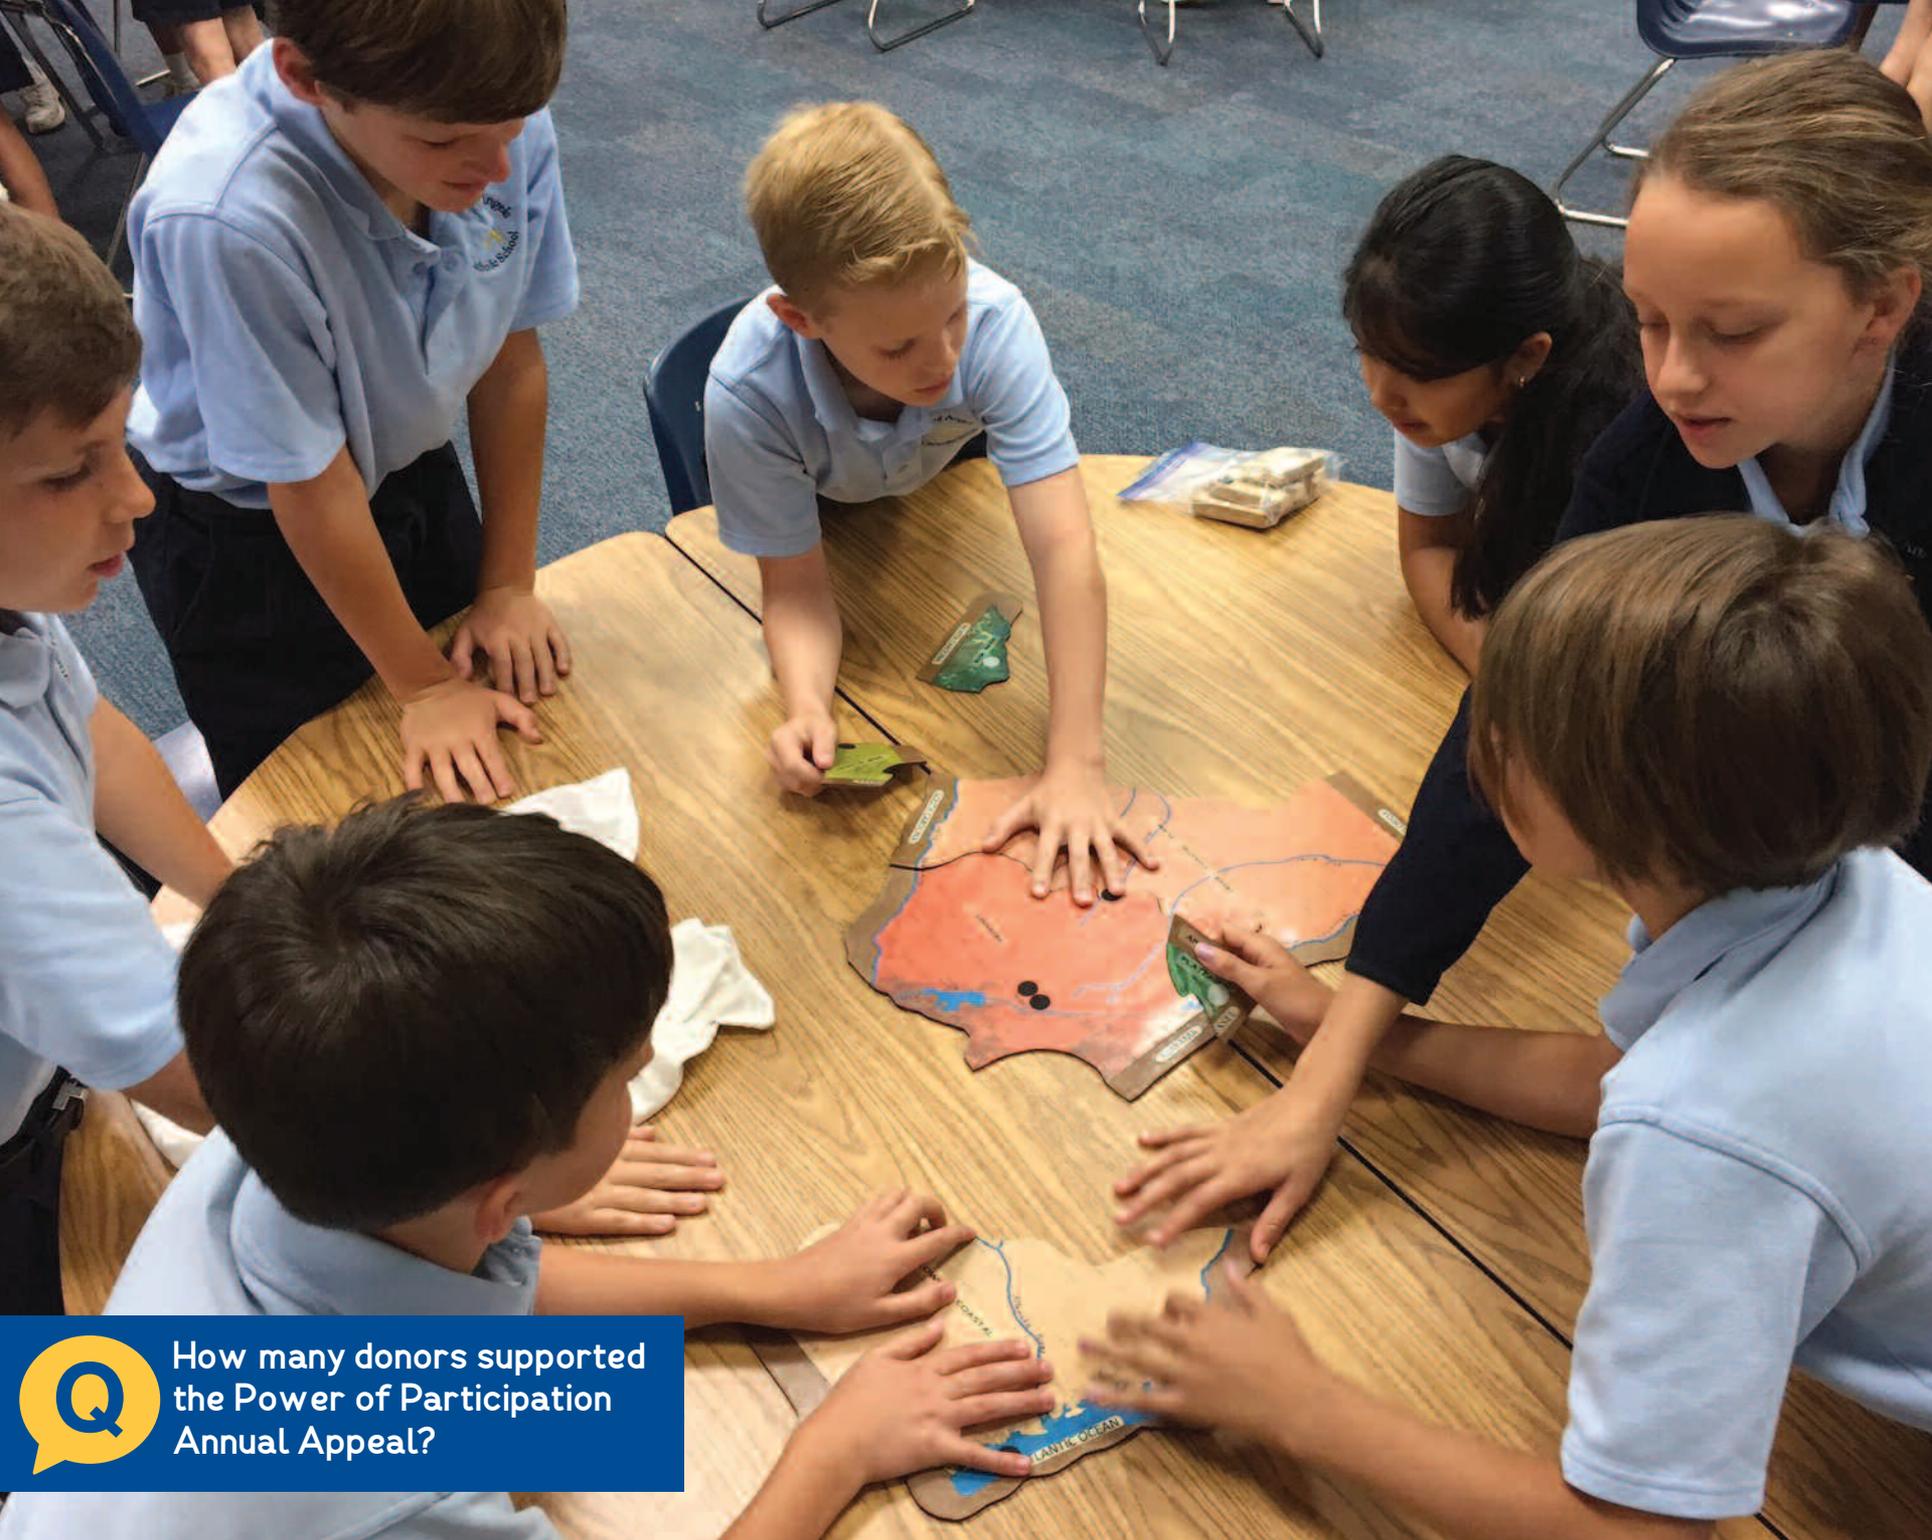

A program with the reputation and resources that Queen of Angels has attracts a highly qualified and committed faculty. With more than 500 years of combined experience and over 50% of our faculty holding advanced degrees, we are blessed to have a gifted faculty and staff who dedicate themselves wholeheartedly to serving and nurturing our students.

None of this would be possible without the prayers and financial support of our community whose names are listed in this report of annual giving. We send our appreciation to our parents and grandparents, both past and present, and the many special friends of our community who invest their time, talents and financial resources to enrich the education and spirituality of our students.

May this year be one of blessings for you and your family as we work together to carry out the mission of Queen of Angels so that each child will grow closer to God, develop into a lifelong learner and become a leader in society.

In Christ,

Dr. Jamie Arthur, Principal

How many donors supported the Power of Participation Annual Appeal?

The Power of Participation Annual Appeal:

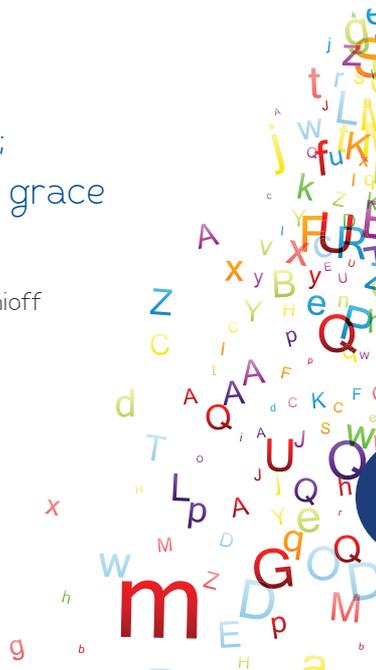

Queen of Angels Catholic School worked as a community to exceed our advancement goals. Participation in the Annual Appeal is vital to our financial stability. Annual Appeal contributions fill the operational shortfall between tuition payments and the actual cost to educate each student.

We are grateful to the 423 donors who participated in the Annual Appeal during the 2016-2017 school year. The Parent Participation Rate of 92% was the strongest in school history. We surpassed our financial goal with \$255,378 in contributions.

- Financial goal: \$225,000
- Contributions: \$255,378
- Parent Participation Rate: 92%
- Faculty-Staff Participation Rate: 100%

Philanthropy isn't just about big gifts; it's about participation. It is about the grace that comes from working together.

— Marc Benioff

Queen of Angels is grateful to 423 donors for their support. The parent participation rate of 92% was the strongest in school history!

Dr. Kathryn B Wood Technology Fund

This is an honorary fund established to recognize Queen of Angels Catholic School's former principal's visionary leadership and dedication to incorporating technology into the classroom. Dr. Wood believed, "Successful use of technology in classrooms depends on the school culture. While there are many technologies available for school use, it is important to select only the ones that best serve our students." In 2016-2017, the Dr. Wood Fund provided resources for Dell Chrome Books for students to use within the classroom.

The Molly Carlin Teaching Fellowship Fund:

This fund was established for Mrs. Molly Carlin, principal from 2012-2017. It was created in recognition of Mrs. Carlin's vision that the faculty and staff of the school, along with the students should be life-long learners. The fund will provide resources for professional development and catechetical training for our faculty and staff. The Teaching Fellow named for 2016-2017 was Renee McDaniel a 5th grade teacher who has been teaching in Catholic Education for 19 years, and has been at Queen of Angels for 13 years.

G.R.A.C.E. Scholars

(Georgia Residents Assisting Children's Education)

GRACE Scholars is a Student Scholarship (SSO) created through the Georgia Private School Tax Credit Program., This program enables Georgia residents, corporations, LLC's partnerships and trusts the opportunity to direct a portion of their state tax liability to a Catholic school's financial aid program. GRACE Scholars is the only SSO dedicated to Catholic Education, and these funds provided the needed resources for tuition assistance.

The Teacher Degree Incentive Fund

Established in 2002 as part of a grant from the Goizueta Foundation, this fund provides our faculty and staff the opportunity to continue their education with advanced degrees. Since its inception, 21 teachers have benefited from the Teacher Degree Incentive Fund. In 2017, Mrs. Mary Beth Smith completed her Masters in Theology.

The Southern Soiree Gala & Auction

This annual social event supports our operating budget. We are grateful to the leadership of our co-chairs, Lindsay Perlman and Katie Morgan for a most successful event. The evening raised over \$116,000 which included \$5,800 during a special appeal for the new HVAC system to Keep QA Cool.
