ARCHBISHOP ANNUAL APPEAL

Please pledge your Support to help the Different Ministries and Works of Faith Thru our Archdiocese.

Remember if the pledges made do not reach our goal then the parish has to pay the difference from our weekend collection. Please consider making a pledge to help your parish and our Archdiocese to Evangelize God Bless – Fr Dennis

My Dear Brothers and Sisters in Christ,

May the peace and the Love of God continue to grow in your hearts and our Parish Family. Firstly, I wish to thank each of you for the support and kindness that you give to your parish and to me, especially the many great volunteers who give of themselves unselfishly. 'Because of your active and caring spirit and the great people you are, we are building the kingdom of God among ourselves, in caring for our parish and each other.

Overall, 2017-2018 was a good year, taking into consideration the difficulties we all share. We finished our fiscal year with a positive balance that was only possible by your sacrifices and generosity of giving your time and treasure, which is a sign of your love, deep faith and thanksgiving to God. I ask God for His blessings on you, your families and our parish community. Thanks for your generosity to your church.

Now, there is still need to maintain our church, office building and faith evangelization. There are remaining projects, which have to be completed. Our needs are many in regards to the operations and upkeep of our church, we all know what a financial task this is from taking care of your homes and families.

I sincerely believe when we all come together as the people of God and give generously of our time, be sincere how we share our treasure then, our faith community will grow with God's blessings. What is important is that each of us give from our heart, by our faith and out of gratitude, for all we receive from Christ each day. Be it from the little we have or the much we have received.

May your generous gifts to your parish continue to express your gratitude and love of Christ, and to build a place for Him, in your heart, in your family and your Church community. Remember, as followers of Christ, as faithful Disciples, what we do today will be remembered tomorrow and we shall be rewarded a hundredfold storing our rewards in heaven.

Love & Prayers - Fr. Dennis
