

My Dear Brothers and Sisters in Christ,

May the peace and the Love of God continue to grow in your hearts and our Parish Family. Firstly, I wish to thank each of you for the support and kindness that you give to your parish and to me, especially the many, many volunteers who give of themselves unselfishly. 'Because of your active and caring spirit and the great volunteers you are, we are building the kingdom of God among ourselves, in caring for our parish and each other.

Overall, 2016-2017 was a good year, taking into consideration the difficulties we all share. We finished our fiscal year with a positive balance, only was possible by your sacrifices and generosity of your time and treasure, which is a sign of your love and deep faith in God. I ask God for His blessings on you, your families and our parish community. Thanks for your generosity to your church.

Now, we did a great deal of maintenance work this fiscal year of which you can all see and enjoy. Of course there is still need to maintain our church, office building and faith evangelization. There are remaining projects, which have to be completed. Our needs are many in regards to the operations and upkeep of our church, we all know what a financial task this is from taking care of your homes and families.

I sincerely believe when we all come together as the people of God and give generously of our time, be sincere how we share our treasure, then our faith community will grow with God's blessings. What is important is that each of us give from our heart, by our faith and out of love, for all we receive from Christ each day. Be it from the little we have or the much we have received.

May your generous gifts to your parish continue to express your thanksgiving and love of Christ, and to build a place for Him, in your heart, in your family and your Church community. Remember as followers of Christ, as faithful Disciples, what we do today will be remembered tomorrow and we shall be rewarded a hundredfold as we store our rewards in heaven.

Love & Prayers - Fr. Dennis
