Like many of the annual events that occurred during the school year, our SJE Jubilee Auction Event was re-imagined this year. Our hearts wanted to gather as a school community and the best way we could make that happen was through Zoom! We interacted with our families online in the comfort of our staged living room in the Enrichment Center and enjoyed making connections through our Minute to Win It Games and Kahoot. Many thanks to all who participated in this virtual event, especially our sponsors listed below. We sincerely appreciate your dedication to SJE.
