Saint Peter Claver, known as the "Slave of the Slaves," devoted his life to serving the enslaved Africans brought to Cartagena, Colombia. His work was characterized by immense compassion, humility, and a deep sense of justice. We have created a tribute to him in our school building as a meaningful way to honor his legacy.

The middle school building houses the San Pedro Claver timeline tribute and some pictures of the sanctuary and his home in Cartagena. This tribute could serve as a reminder of Saint Peter Claver's legacy and as a source of inspiration for students, encouraging them to live out the values of compassion, justice, and service in their own lives.
