*The Lord has done great things for us,
and we are filled with joy.*

Psalm 126:3

*El Señor ha hecho grandes cosas por nosotros,
y estamos alegres.*

Salmo 126:3

Each year, it is my duty to present to you a financial report for the parish. It summarizes our income and expenses for the past fiscal year (July 1, 2019 through June 30, 2020). This year's report appears on the following pages.

We tackled several projects during the year including replacing the old fluorescent light fixtures in our office, classroom, and hallway spaces. The new, energy-efficient LED models will provide a significant cost savings over time. We also completed the installation of outdoor security cameras to help safeguard our parishioners, staff, and facilities. Our leaky roof was given a bit more TLC and will hopefully remain drip-free for many years.

Then the pandemic came, bringing a multitude of challenges to us as individuals and as a parish family. But God is good! Even when we were forced to close our doors, we were able to continue offering Mass via live-streaming and recordings. Email has been a great way for staff to continue parish operations while working from home. How blessed we are to live in this age of technology! We are not out of the woods yet with COVID-19. There will be new challenges and problems in the days ahead. But when we trust in the Lord, we will survive and thrive.

As always, I am thankful for and blessed by your generosity—your donations of time, talent, and treasure. When there is a need, God finds a way to fill it. Thank you for being open to His call.

May God continue to bless you,
Fr. Fernando

Cada año, es mi deber presentarles un informe financiero de la parroquia. En éste, se resumen nuestros ingresos y gastos del año fiscal anterior (del 1 de julio 2019 al 30 de junio 2020). El informe de este año aparece en las siguientes páginas.

Cumplimos varios proyectos durante el año, incluyendo el reemplazo de las ya viejas lámparas fluorescentes en nuestras oficinas, salones de clases y pasillos. Los nuevos modelos LED de energía eficiente nos proveerán un ahorro significativo en los costos a largo plazo. También completamos la instalación de cámaras de seguridad afuera para proteger a nuestros feligreses, al personal y a nuestras instalaciones. Nuestro techo con goteras recibió un poco más de atención y, con suerte, permanecerá libre de goteras por muchos años más.

Luego vino la pandemia, que nos trajo una multitud de desafíos como individuos y como familia parroquial. ¡Pero Dios es bueno! Incluso cuando nos vimos obligados a cerrar nuestras puertas, pudimos seguir ofreciendo las Misas a través de transmisiones en vivo y grabadas. El correo electrónico ha sido una excelente manera para que el personal continúe con las operaciones parroquiales mientras trabajaban desde la casa. ¡Cuán bendecidos somos de vivir en esta era de tecnología! Todavía no estamos fuera de peligro con el COVID-19. Sabemos que vendrán nuevos problemas y desafíos. Pero cuando confiamos en el Señor, sobrevivimos y prosperamos.

Como siempre, me siento bendecido y agradecido por su generosidad y sus donaciones de tiempo, talento y tesoro. Cuando hay una necesidad, Dios siempre provee. Gracias por estar abiertos a Su llamado.

Que Dios les siga bendiciendo,
P. Fernando

In partnership with the Parish Finance Council and the Director of Finance and Administration, we have prepared # this update to keep you informed about the financial status of the parish. We are presenting a comparison of the income and expenses for the fiscal year July 1, 2019 to June 30, 2020 to the previous fiscal year July 1, 2018 to June 30, 2019.

Offertory was \$2,714,171, which was \$82,985 (3%) less than budget. The income was increased by \$76,572 due to the Annual Appeal refund. Online Giving increased by 30% since last fiscal year. We are grateful to those who signed up for Online Giving during the last quarter during the pandemic.

Our expenses overall decreased by 10%. Due to COVID-19, savings were incurred in the 4th quarter since fewer liturgical supplies were needed, religious education supplies and events declined, salaries decreased, less facility usage which decreased our utility costs. Therefore our total expenses decreased by \$370,377 (or 10%). Our YTD income of \$3,198,058 less YTD expenses of \$3,049,069 left a positive cash flow of \$148,990; which is an increase of \$117,390 from last year.
